Cures Woman's Weakness.

We refer to that boon to weak, nervous, suffering women known as Dr. Pierce's Favorite Prescription.

Dr. John E. Fyfe one of the Editorial Staff of the Eclectic Medical Review says of Unicorn root (Helleborus Diodora) which is one of the chief ingredients of the "Favorite Prescription":

"A remedy which invariably acts as a tonic and invigorant... makes for normal activity of the entire reproductive system." He continues "in Helleborus we have a medicine which more fully answers the above purposes than any other drug with which I am acquainted. In chronic diseases of the reproductive system to women it is seldom that a case is seen which does not present some indication for this remedial agent." Dr. Fyfe further says: "The following are among the leading indications for Helleborus (Unicorn root). Pain or heaviness in the back, with a leucorrhoea; atonic (weak) conditions of the reproductive organs of women; mental depression and irritability, associated with chronic diseases of the reproductive organs of women; constant sensation of heat in the region of the kidneys; associated with chronic diseases of the reproductive system; or absent monthly periods; or accompanying an abnormal condition of the digestive organs and a general (thin blood) habit; dragging sensations in the extreme lower part of the abdomen."

Of Golden Seal root, another prominent ingredient of "Favorite Prescription," Dr. Fyfe says: "It is an important remedy in disorders of the womb. In all catarrhal conditions, and general debility, it is useful." Prof. John M. Scudder, M. D., late of Cincinnati, says of Golden Seal root: "In relation to its general effects on the system, there is no medicine in use about which there is such general unanimity of opinion. It is universally regarded as the tonic useful in all debilitated states." Prof. R. Bartholow, M. D., of Jefferson Medical College, says of Golden Seal: "Valuable in uterine hemorrhage, menorrhagia (flooding) and congestive dysmenorrhea (painful menstruation)." Dr. Pierce's Favorite Prescription faithfully represents all the above named ingredients and cures the diseases for which they are recommended.

MYSTIC SHRINES.

The thirty-sixth annual convocation of the Imperial Council of the Ancient Arabic Order Nobles of the Mystic Shrine, the third ever held in Dixie-land, began in New Orleans.

For four days the Crescent City will be given over to the delegates, who, with their families and friends, are expected to number many thousands. The city is transformed with color and decoration. A mammoth electric arch, blazing forth the welcome slogan "Glad-U-Kum," spans one of the principal street intersections.

Among the brilliant features of entertainment which Jerusalem Temple of New Orleans has provided its brothers will be a typical Mardi Gras carnival and parade next Thursday. The Imperial Council ball in the historic French opera house will follow the parade.

Each day there will be public receptions, eight-seeing trips to places of interest about the city and numerous other entertainment features.

Recher and Milwaukee are the principal candidates for the Imperial convocation next year.

Imperial Potentate Street said yesterday: "The order of the Mystic Shrine has been unusually prosperous during the last year. It has increased in growth fully 16,000 members, and now has a membership of 149,146."

FAINTS AT COMMUNION.

Right Rev. Bishop William Oreswell Deane, of All Saints' Cathedral, Albany, and the head of the Albany Episcopal diocese was seized with a fainting spell while administering the right of communion to a class at St. John's Church, in Troy, N. Y., Sunday. Bishop Deane is a man of large frame and is well along in years. In falling he struck his head on the stone floor of the chancel and was severely cut. He was immediately removed to St. John's rectory, adjoining the church, where medical aid was given him. The physicians state that his condition is not serious.

Twenty-four hundred men, 600 of whom were strike-breakers, engaged in a pitched battle yesterday outside the immense plant of Havemeyers and Elder-Sager Refining Company, in the Williamsburg, N. Y. district. Hundreds of the combatants were slightly injured and a score were badly hurt. It required the reserves from several districts to put down the riot.

Death From Tong Battle.
Philadelphia, Pa., April 11—June Sing 29 years old, shot through the abdomen during Sunday night's Tong battle in the Race Street colony, died at the Habnemann Hospital yesterday, making those dead in this city three. Sing was attacked in a grocery store by two Chinese who entered and opened fire. Chin Mong, the proprietor, was shot through the head and body and instantly killed.

While these murders were taking place two men entered a Chinese restaurant on Race Street, where they attacked a Chinese cook working in the kitchen. The first shot struck the man in the back of the head, and pitching forward into the fire, his head was almost burned off.

FIRE IN A HOTEL.

Two hundred sleeping people had a narrow escape from death early yesterday in a fire which burned the Julian Hotel, one of the most prominent hotels in Dubuque, Iowa. A number of persons were injured in the rush for safety.

Many spectacular rescues were made and, despite the confusion, most of the guests escaped without harm.

Samuel L. Levy stood for several minutes on the window ledge of his room screaming for aid. Would-be rescuers begged him to hold on a little longer. In the darkness the firemen did not make fast enough progress and the frightened man leaped just as another ladder was being brought. The one already placed in position was not long enough. Levy struck on the sidewalk with nothing to break the force of the blow and was taken to a nearby building, dying.

Mrs. Edward Angler first went to the window of her room, and, fearing to leap decided to try a rush through the fire, which was blazing in the only stairway she could reach. Wrapping a blanket around her shoulders she dashed through the flames. Her clothing was burning, but she almost reached the lower floor, when suddenly the stairway sank. Firemen rushed in and dragged her upside. She suffered many burns, but may recover.

MYSTERIOUS MURDER.

The slaying of Harry S. Meyer, jr., at the door of his home in Chicago early yesterday, at first attributed to burglars, developed elements of mystery as the police investigation progressed. An alleged "affinity" and revenge as a motive figure in the problem.

Instant Relief

For Sore Feet

Sore Feet, Tender Feet and Swollen Feet Cured Every Time. TIZ Makes Sore Feet Well No Matter What Ails Them.

Police men all over the world use TIZ. Police men stand on their feet all day and know what sore, tender, swollen feet really mean. They use TIZ because TIZ cures their feet right up. It keeps feet in perfect condition. Read what this policeman has to say: "I was surprised and delighted with TIZ for tender feet. I hardly know how to thank you enough for it. It's superior to powders or plasters. I can keep my feet in perfect condition. Believe in my earnest gratitude for TIZ. I am a policeman and keep on my feet all day." Emory Harrell, Austin, Texas.

You never tried anything like TIZ before for your feet. It is different from anything ever before sold.

TIZ is not a powder. Powders and other foot remedies clog up the pores. TIZ draws out all poisonous excretions which bring on soreness of the feet, and the only remedy that does. TIZ cleans out every pore and glorifies the feet—your feet.

You'll never limp again or draw up your face in pain and you'll forget about your corns, bunions and calluses. You'll feel like a new person.

TIZ is for sale at all drug stores 25 cents per box or direct if you wish from Walter Luther Dodge & Co., Dodge Bldg., Chicago, Ill.

their baby and Meyer's father, returned home at 1 a. m. He was shot at the door of his home. Three shots were fired, one of them penetrating his heart.

The elder Meyer and the slain man's wife were aroused by the shot, but did not observe anyone leaving the premises. A black cambric mask was found in the yard later. Meyer's watch and cash were not taken.

The first man examined by the police in connection with the case was Cornelius Sullivan, an expressman, said to have been a suitor of Miss Ella Gaygan, 17 years old, who is alleged to have looked with favor on Meyer.

Meyer's father told the police that his son had been rather attentive to Miss Gaygan and that the latter and Sullivan had quarreled as a result. He said that recently Miss Gaygan was wearing a ring given her by young Meyer, and that Sullivan, when he saw it on her finger, pulled it off, but that during the high words which ensued he threw it back in her face. Sullivan has advanced an alibi.

MYSTERIOUS DEATHS.

Seven dead of poison and four other deaths suspected of being due to the same cause, is the toll paid in West-erly, R. I., a no license town, because a person in one of the many drug stores of the place erred in mixing the ingredients of poor whiskey. It is known for a certainty that the seven deaths were directly caused by drinking whiskey, which, in some way, had come in contact with a poison. There are four other deaths the medical forces of the town cannot explain. The town keeps a fairly tight watch on the drug stores and kitchen barrooms; but there were leaks somewhere last week, and most of the leaks were at the same store. It is known that three of the dead brought the whiskey of one firm, for use as a beverage or medicinal purposes. The theory that the police are working on is that the deaths were caused by manufactured whiskey, in which wood alcohol was used by mistake. Other victims are sick about the town, and it is feared that more deaths will follow.
